- Reduce the number of back-issues of periodicals we archive
- Explore options to display public art throughout the library

Goal 2: Utilize responsible and sustainable environmental practices

- Investigate energy efficiencies and improvements that can be made
- Explore additional ways to reduce, reuse, and recycle

Goal 3: Create intuitive and flexible library spaces that reduce physical barriers between library customers and staff

- Re-configure DVD, reference and circulation areas to be more browsable and user-centric
- Investigate purchasing comfortable seating for patrons
- Weed collection to eliminate books on bottom shelves

Focus 3: Build meaningful community connections to help make a difference in people's lives

Goal 1: Market the Library's story so that library materials, programs, and services are more visible and the ways the Library connects, inspires, and informs to transform lives and change communities is made clear.

- Implement a public awareness campaign for the library, such as Geek the Library
- Utilize marketing opportunities in the community (Potato Bowl parade, etc.)
- Investigate marketing training opportunities for library staff
- Offer reading celebrations at the library
- Empower more staff members to update and modify the library webpage
- Draw innovative ideas from the retail model for merchandising library materials

Goal 2: Incorporate library services into the fabric of the community through alliances and partnerships with other libraries, organizations, and events, resulting in strong community pride and support.

- Increase library presence on public access TV
- Provide links to streaming video on website
- Explore linking websites to/from community organizations
- Examine ways to invite community to exhibit local talent and hobbies at the library

Focus 4: Foster Organizational Innovation and Excellence

Goal 1: Maintain sound fiscal stewardship

- Ensure that all library employees are paid a fair and reasonable wage, consistent with the market rates in the region.
- Evaluate current practices to determine what the library can do to increase fiscal transparency.

Goal 2: Empower staff to provide exceptional customer service

- Establish a respectful and positive work environment for all staff members
- Create more effective processes for collection development and maintenance
- Reduce staff time spent on routine tasks (acquisition, processing, notifications, etc) to enable them to more directly serve library customers
- Ensure that staff receive ongoing professional development and training opportunities

Goal 3: Develop an organizational culture where innovation is the norm
