

2021 Impact Report

Board

In 2021, we gathered again to celebrate our Grand Reopening and 121st Birthday Party! Over 1,000 library supporters, community leaders, and renovation partners joined us to mark this milestone with music and merriment. In addition to this grand event, we fully returned to pre-COVID hours in June, participants in the Summer Reading Program read more than 800,000 minutes, our team participated in several parades and outreach events throughout the summer and fall, and our Diversity & Inclusion Committee continued to make strides in warmly welcoming all kinds of humans to the library.

While we enjoy the refreshed playground for curious minds, we look ahead to updating the Children's department in the near future.

Friends

The year two thousand twenty-one found the Grand Forks Public Friends trying to adjust activities to align with with an ever-changing world. We were thrilled to be able to bring back our most popular events: the Spring and Fall book sales. We continued the Teen Novelties Book Box program and the Six Word Story contest. Assisting with funding the Library's Summer and Winter Reading programs also happily resumed! The year ended on a positive note with The Friends being able to provide a portion of matching funds to a grant the library received from AARP for a new multi-generational musical playground.

If you'd like to be involved in this dynamic group, please consider becoming a member. Membership information can be found on the library's website.

-Debbie McLennan, President

Mission

To connect the community,
inspire innovation, & encourage
curiosity.

Vision

Grand Forks Public_ is a
playground for curious minds.

We help people discover
dreams, grow ideas, &
change lives.
